Academic Policy

- Academic policies and procedures allow the students to clearly understand their rights and responsibilities
- Work as per the regulations of SPPU, UGC, and State Government Policies
- Admissions, course structure, duration, fees, evaluation norms are well illustrated in the prospectus and strictly monitored
- Admission committees keep a record of the students admitted to different courses
- Academic calendar clearly states the duration of the terms
- Awareness of the students about the schedule of examinations and evaluation pattern
- Reddressal of examination related grievances by the Examination Committee
- Academic progress of the students is monitored
- Attendance and absenteeism is well tracked
- Anti-ragging Committee resolves the complaints related to ragging
- Women Welfare Committee empowers the girls through various programs
- Up-gradation of teaching facilities through addition of teaching aids and/ or equipment
- Up-gradation of the faculty through enhancement of their knowledge by upgrading the academic qualification, interaction with industry, through seminars, educational tours, visits, etc.
- Use of modern tools for teaching and research

- Stakeholder satisfaction survey monitored through feedback reports, overall success in examinations, Sports, elocution competitions and other contests
- Aims for betterment in all the fields related to academics
- Ensures holistic development of the students
- Sustenance of the academic policy and measures through the initiation of corrective action at the earliest in case of discrepancy
- Commitment of the college authorities to these academic policies
- To ensure that the academic policy is known to all the stakeholders
- To ensure that the academic policy is followed strictly
